

I would like to address the issue of the railroad rate problems the N. Dak. Farmer has. did you know that states East of N. DAK pay less to ship grain to the west coast than we do, & now they want to charge a fuel surcharge per rail car. please help us this problem. Record profits for them mean more cost to us. We need Equal rates Please Investigate over

this very Important part of the Farmers Problems in this part of the U.S. Rail rates are killing us in this Area.

Thank you!
